Importance: High

Hi Tom We have not been invited to listen in on that conversation as it was slated as a one-on-one between lance and Kevin. Kevin let us know that there might be a follow up conversation with a bigger group this afternoon but I am not sure when that would be. I no longer have open the slot between 1-2 my time but I am available between 2-3 EST?

Good morning, Lilian. We are scheduled to speak this morning at 11AM (your time). Lance has just informed me that he has a call scheduled with Kevin at the same time. If your afternoon time slot (1-2:30PM) is still available, do you want to reschedule our call so that we can listen in to Keven and Lance's conversation?

Thanks, Lilian. If your schedule still allows, tomorrow at 11 (EST)/10(CST) is good. Unless I hear from you differently, I will call you tomorrow at 11(EST) at the number you left on your voicemail.

Hi Tom, tomorrow looks pretty crazy for me but how about Wednesday? I'm available between 11-12 EST, or between 1-2:30 EST? Thanks!

Lilian,
I'm sorry I missed your call last week Ex. 6 Personal Privacy (PP) but appreciate the invite for us to talk more. I'm wrapped up with staff meetings today (it's a Monday), but if you will let me know some times you are available this week, I will be glad to give you a call.

Thanks again.
